MESSAGE

Education is the manifestation of perfection already existing in man
– Swami Vivekanand

Education is an important impetus in the growth of any country. It is of great relevance especially for our nation because we are trying to reap the fruits of demographic dividend. Knowledge gained through a sound education will go a long way in shaping the mind and personality of the young generations.

I welcome you to the University of Rajasthan which holds a special place in the Indian University System and has the honour of having been accredited 'A+' and A grade by National Assessment and Accreditation Council (NAAC). Our University was one of the few Universities of the country which was awarded University with Potential for Excellence by the University Grants Commission in 2012. The University was established in 1947 to meet the aspirations of the people and ever since then our University has been committed to the welfare of the students and the upliftment of the nation as a whole.

The logo of our University is धर्मो विश्वस्य जगतः प्रतिष्ठा (Dharma is the base of the whole universe). We adhere to this motto in everything that we accomplish.

I can imagine that many of you are feeling both excited and perhaps a little anxious about starting your journey as a university student. I assure you that you have chosen the right university for your studies. University of Rajasthan has an eco-friendly environment and a healthy work culture. You will derive great satisfaction in pursuing your studies here.

The Prospectus and our University website provides all relevant information pertaining to your educational requirements. I would also recommend that you keep on visiting the University website www.uniraj.ac.in and stay in touch with your department offices for continuous upgrading of information.

I look forward to welcoming you to the University of Rajasthan and wish all of you a fulfilling and empowering journey ahead.

UNIVERSITY OF RAJASTHAN: At A GLANCE

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as Rajputana University on 8th of January, 1947 and recognised from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of seven decades it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are as follows:

- ★ 9 Faculties, 37 Departments and 22 Research Centres.
- ★ Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan. At present University has 534 affiliated colleges.
- ★ Four of the six constituent Colleges accorded CPE status
- ★ Three PG Departments (Chemistry, Zoology, Philosophy) have been awarded UGC Centre for Advanced Studies status, Department of Physics and Economics have completed DSA Programme and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) are running DRS programmes.
- ★ As per DST evaluation based on 'h-index' of the research publications in Science, the University ranks 13th at the national level; in view of this standing DST sanctioned its prestigious PURSE Program to the University.
- ★ Seven of the Science Departments are running DST-FIST programmes.
- ★ Faculty members received funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR. In the last five years more than 80 individual Research Projects have been in operation with an outlay of about Rs. 15 Crores.
- ★ A large number of Research Papers and books are being published by the Faculty members regularly.
- ★ Faculty participates in prestigious International Collaborations such as large hadron collider at

CERN (Geneva), nuclear reactor at Dubna (Russia), synchrotron radiation sources in Italy and Chicago, nano-particle based drug delivery research in Roswell Park Cancer Institute, State University of New York, Buffalo etc.

★ **In 2018, University ranked in the range of 101-150 (in University category) by National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development, Government of India.**

★ **University with Potential for Excellence (UPE) : UGC has recognized the University of Rajasthan amongst the top 15 Indian Universities with Potential For Excellence (UPE) in 2012. A grant of Rs. 50 crore has been sanctioned.**

★ **Promotion of University Research and Scientific Excellence (PURSE): Department of Science and Technology, Government of India has recognized the University of Rajasthan under its Promotion of University Research and Scientific Excellence (PURSE) programme. The h-index of the University stands above 50 and a grant of Rs. 32.4 crore has been sanctioned to the University for Scientific Research and Development.**

★ Faculty members have established International linkages and undertaken collaborative programmes with research Institutes and Universities from countries such as USA, Germany, Switzerland, Italy, Australia, Canada, Japan, UK, Norway, Sweden, Brazil, Russia, Mexico, Finland and France etc.

★ At the national level, faculty members have been using National facilities such as Neutron Reactor at BARC in Mumbai; Particle Accelerators at IUAC in New Delhi and VECC in Kolkata; Synchrotron Radiation Source in CAT, Indore; facilities at TIFR in Mumbai, IGCAR in Chennai, UGC-DAE CSR in Indore, Mumbai and Kolkata, CDRI in Lucknow, IUAAC in Pune, AIIMS in New Delhi and NPL in New Delhi.

★ Centre for Development of Physics Education has earned National and International recognition for developing innovative experiments for Physics Laboratories at UG and PG levels.

★ Some of the other notable study Centres are: Centre for Human Ecology, Environmental and Population Studies, Centre for Non-conventional Energy resources, Centre for Water Management and Research, Social Science Research Centre, South Asia Studies Centre, Centre for Study of Social Exclusion & Inclusive Policy, Centre for Women's Studies, Centre for Mass Communication, Journalism and Centre for Rajasthan Studies.

★ University has set up a Centre for Converging Technologies which offers five years integrated M.Tech. degree in the streams of nano, bio, info and cognotechnology. This Centre is the first of its kind in the country.

★ Semester pattern and CGPA grading system has been introduced at PG level in all the University Departments.

★ Admission in Post-Graduate Programme are done through entrance examination.

★ Admission to Ph.D. programme is done through an entrance examination Course work has been made mandatory as a part of Ph.D./M.Phil. Programme.

★ A large number of students studying at both the under graduate and post-graduate levels belong to marginalized sections of the society.

★ More than 40% of the students on the campus comprise women students.

★ Pass-out students from the Post Graduate Programme

4

- have been joining prestigious institutes like BARC, TIFR, PRL, NPL, DRDO, CDRI, IITs, IUAC, IUCAA, UGC-DAE CSR, NPL, NCL, ICS and RAS.
- ★ The University has a vibrant Human Resource Development Centre (Erstwhile Academic Staff College) ranked as the II best performer by NAAC amongst 66 HRDCS of India.
- ★ UGC INFONET Centre; National Knowledge Network, ERNET PoP, Grid Computing facilities are available in the campus.

- ★ Emphasis on Open Source Technology for application development.
- ★ Computer Labs and Research Centres and provision of computers to all sections of administration and academics.

Global Demand

- ★ Offering globally relevant PG and research courses. e.g. Computer Science, Management, Biotechnology, Microbiology, Converging Technologies, Social Sciences, Women's Studies, Arts, Geo-Informatics, Mineral Processing, Instrumentation Technology, Material Science, Pharmaceutical Chemistry, Journalism etc.
- ★ Provision for training and development on practical skills and human resource skills leading to global competencies.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, Constituent Colleges and Affiliated Colleges/Institutions. The University offers 41 Ph.D. Programmes, 25 M.Phil Programmes, 56 Masters degree programmes, and 14 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures

equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for organizing conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges
- (b) Post-graduate Teaching Departments / Centres
- (c) Research Centres

(a) Constituent Colleges

Undergraduate teaching is imparted in seven constituent colleges of the University, while the teaching faculty appointed in the University Post Graduate Departments:

- (i) University Commerce college (Commerce Faculty)
- (ii) University Law College (Law Faculty)
- (iii) University Law College II (Law Faculty Evening College)
- (iv) University Maharani college (Multi-faculty College for Women)
- (v) University Maharaja College (Science Faculty)
- (vi) University Rajasthan College (Arts and Social Sciences)
- (vii) University Five year Law College (Law Faculty)

Looking to the needs and demands of students, the University started courses at Rajasthan College, Maharani, Maharaja and Commerce College on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides this colleges also organize seminars, workshops, lectures and panel discussions to strengthen academics.

(b) P.G. Departments

Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Library Science are running PG programmes. Admissions to the P.G. Courses are based on entrance tests and merit. Some of the P.G. Departments also run need-based self-financing courses. Eminent scholars have been the faculty in this university including Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V.R. Mehta, Y.K.Alagh, C. Rangarajan etc.

Research support and Special Assistance have been made available to many departments by the UGC. Several departments are actively engaged in innovative research, and have been recognized for the FIST, COSIST, CAS, SAP-DRS-I and II and DST DAAD programmes of the

6

University Grants Commission. The research done by the faculty members have been reflected in publications of articles in peer-reviewed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement needs of the students and the demands of society, syllabi have been upgraded time to time. The process of globalization has also prompted formulation of new courses which may go a long way in providing jobs to the students. Some of the new courses started are as follows:

Post-Graduate Courses :

- (i) Biotechnology
- (ii) Microbiology
- (iii) Information Technology
- (iv) Journalism & Mass Communication
- (v) Finance Control
- (vi) Management
- (vii) International Business
- (viii) Environmental Science
- (ix) European Studies

The Under-Graduate Courses:

- (i) Computer Applications
- (ii) Business Administration
- (iii) Fine Arts
- (iv) Music
- (v) Library & Information Science
- (vi) Physical Education

The Five Year Integrated Courses:

- (i) Dual Degree B.Tech-M.Tech in Converging Technologies
- (ii) B.A. LL.B. Hons.

(c) Research Centres

The University also provides opportunities to the deserving students and teachers to undertake research in the fields of their specialization. For this purpose, Research Centres have been established. These research Centres have strengthened research, and some of them offer M. Phil Programmes of study. The following Centres are in existence:

1. Centre for Jain Studies
2. Centre for Jyotirvigyan
3. Centre for Converging Technologies
4. Centre for Computer Science & Information Technologies
5. Centre for Development of Physics Education
6. Centre for Non-Conventional Energy Resources
7. Centre for Water Management & Research
8. Indira Gandhi Centre for Human Ecology, Environmental and Population Studies
9. Centre for Nehru Studies
10. Shri Guru Gobind Singh Centre for Sikh Studies
11. Centre for Ambedkar Studies
12. Centre for Life Long Learning
13. Centre for Museology and Conservation

14. Centre for Gandhian Studies
15. Centre for the Study of Local Self-Government
16. Centre for Rajasthan Studies
17. Centre for the Study of Social Exclusion and Inclusive Policy
18. Centre for Women Studies
19. South Asia Studies Centre
20. Social Sciences Research Centre
21. Centre for Mass Communication
22. Centre for Museology and Conservation

The Support Services in the University

University Central Library

The Central Library building is located near the main gate of the University. It has a sitting capacity of about 700 students. It has a collection of more than 5 lac books, bound periodicals, etc. The Library subscribes to 60 plus current journals and popular magazines relating to various subjects. In addition, about 10500+ e-journals are available for online access under e-Shodh Sindhu Consortium.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore rupees from UGC under UPE grant. This building will be soon made operational.

Sports Complex

The University has a modern Sports Complex. Fully developed indoor stadium along with a yoga centre are the unique attractions of the Sports Complex. It also has a swimming pool, which has been the venue of many national swimming meets. The University accords a high priority to games and sports. Facilities for all major indoor and outdoor games are also available at the constituent colleges. Besides this, the Department of Physical Education has started a postgraduate diploma and a masters' programme in Physical Education.

Health Centre

The University provides Allopathic, Ayurvedic, and Homeopathic facilities at its Health Centre. Medicines are provided free of cost to the employees and students of the university. Health checkups are arranged from time to time. Blood donation camps are also organized.

Student Advisory Bureau

Students Advisory Bureau, since 1962, upholds the motto: "We do not believe in framing the future for next generation, rather we wish to frame the next generation for the future."

Counseling Centre

The University has a Counseling Centre, to guide the students and resolve their personal and emotional problems.

Hostels & Residences

Residential accommodation is provided to the

teachers and the students. The University has 19 hostels, 10 for boys, 9 for girls. The University is going to construct two new hostels one for SC girls and other for SC boys with 45% assistance from the Ministry of Social Justice and Empowerment with a cost of Rs. 5 crores. Besides hostels, there are Teachers Hostel, Working Women Hostel and faculty residences located at the main campus. Some residences are for the non-teaching employees as well. The University has an eco-friendly environment. The nursery-cum-garden office of the university looks after lawns and parks. The university has nursery which has some rare plants and shrubs. Plant Exhibitions are also organized on various occasions.

Students' Welfare

In order to stimulate and coordinate various activities of the students, the Dean of Students' Welfare is provided grants and facilities. The Dean, Students Welfare, also functions as Advisor of International Students.

UGC Human Resource Development Centre

The University has also a UGC Human Resource Development Centre (erstwhile UGC–Academic Staff College) which was set-up by the UGC in 1988 for an overall development of university and college teachers. The HRDC (ASC) organizes Refresher and Orientation Programmes. The Refresher Courses are interdisciplinary as well as discipline-specific, whereas the Orientation Programmes are interdisciplinary. The latter aims to enhance overall intellectual worth of the teacher. Our ASC (HRDC) was ranked as the second best by NAAC in 2012 amongst 66 ASCs in the country.

Service and Instrumentation Centre

University Service and Instrumentation Centre has well-equipped workshop under its control with facilities for mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling shops and an analytical instrument sections. The Centre houses costly instruments such as Semiautomatic X-Ray Diffractometer DIANO (USA) and Phillips Liquid Nitrogen Plant with 6 liter per hour capacity.

Infonet Centre

The University has a UGC Infonet Centre which coordinates all the activities of UGC Infonet Project at University end. The centre further distributes and maintains the internet connectivity over Campus Wide Area Network making it available to constituent colleges, teaching departments, research centres, and administrative units. The Centre maintains and host University Website and Mail-server. The Centre also

coordinates and maintains Intranet of University.

University Printing Press

The University has its own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University administration.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and has been given the status of an independent centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 40 years on self financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.

Academic Commitments of the University

Strict adherence is observed to the Academic Calendar of the University.

National and International Seminars, Lectures and Workshops are organized regularly and faculty members are given all possible financial and academic support to participate in such events at National and International levels. Eminent scholars are also invited to the University as visiting faculty.

Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies and the Board of Inspectors are regular in their meetings and vibrant and vigilant in their deliberations.

The University examination system is fully computerised. The results of the entrance examinations are declared at earliest possible.

To provide financial assistance to the needy students, a University Corpus Fund has been created.

Prof. R.K. Kothari Student's Welfare Fund: An initiative has been taken by the Hon'ble Vice-Chancellor Prof. R.K. Kothari on the first day of his joining as Vice-Chancellor that his monthly salary (after deduction of Income Tax and Pension) will be distributed among the needy students who are admitted as regular student of UG and PG programmes in the constituent colleges and

Departments / Centres of the University. An amount of Rs. 6000/- per student per year will be given to the needy students duly selected by the committee constituted for this purpose on the basis of need cum merit so that the needy students can pay their tuition fees and examination fees of the University. The details of the scheme will be notified in all the units of the University.

To ameliorate the grievance of every strata of University Community, a standing mechanism has been evolved wherein three separate Grievance Committees function on a continuous basis.

The University of Rajasthan has been striving with fullest commitment to uphold the Hand Book and to sincerely implement the rules and regulations provided therein.

International Cooperation Cell

Established in 2007, International Cooperation Cell of the University looks after international level cooperation developed with many countries. Memorandums of Understanding (MOU) have been signed with Universityties of France, Britain, America, Australia, Canada, Japan and Scotland. The exchange of students and faculty is going on since 2007. Credit Transfer System started in 2008 for M.A. Final Students of French.

Students' Entitlement

Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
- 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar,

comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.

- 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
- 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.
- 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

2. Quality of teaching and learning

- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.
- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.
- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.
- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the

Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.

- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].
- 4.2. The students are entitled to reasonable access to sports and recreation facilities, avenues for literary, aesthetic and other extra-curricular pursuits.
- 4.3. The student are entitled to reasonable attention to medical and health requirements including free and periodic health check-up and treatment/hospitalization in case of medical emergencies.
- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.
- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in

examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPP II), F.No.6-1/2012(SCT)]

5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]

5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]

5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

Introduction

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University. Out of the Students Welfare Fund of the University, the office facilitates the University in providing "One time financial assistance" who belong to economically weaker sections with higher academic grades.

Under the administrative supervision of the DSW, there is Rajasthan University Students' Union (RUSU) which consists of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular UG and PG students of the University. One research scholars' representative is elected by the regular M.Phil and Ph.D. students.

The Dean Students' Welfare and the RUSU collectively organize numerous cultural and academic activities. Inter-College Youth Festival is organized in the month of September/October every year. This competition is among the Constituent Colleges, Departments, Centres of University and Affiliated Colleges. This helps the DSW to make a team for the International Youth Festival i.e. (Ghoomar) which is a prestigious cultural activity of our University.

Department of English

About the Department

The Department of English was established in 1961 by the eminent Yeatsian scholar, Prof. A.G. Stock from Ireland. The Department works consistently towards the development of study programmes that enhance the academic acumen of the students.

Goals and Vision

The Department is committed to maintain high standards of scholarship and research. With a dedicated team of faculty members, the department works consistently towards the academic upgradation at the undergraduate and postgraduate levels. We have earned a reputation for qualitative teaching and have periodically revised our syllabi to keep pace with the proliferation of new areas of knowledge and research. Our innovative plans have led to the introduction of papers in English Language; Indian Literature in English and in Translation; Women's Writing; Postcolonial Literature and Canadian Literature. The Department has well qualified faculty with specializations in areas such as Postcolonial Literatures, Feminist Writing, Language Studies, American, Canadian and Australian Literatures, Literature and Films and Indian Writing in English.

Infrastructural Facilities:

The Department has a library dedicated to Prof. A.G. Stock with over 5,000 holdings as endowments from various sources. We also have a well equipped Language Lab to enhance the communication skills of the students. There is a Counselling Cell to empower and support the students of the department both academically and emotionally. Admission to all the courses is through an Entrance Exam. To promote interdisciplinary ethos, we welcome students from all disciplines.

Centre for Jain Studies

About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

It has so far organised more than 5 International, 10 regional and 30 National Seminars and held

Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

About the Department

Lifelong education is the cherished goal of an ideal educational process. In a technology driven, knowledge based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The **Department of Lifelong Learning (DLL)**, University of Rajasthan caters to this critical development issue of continuous development of quality and quantity human resources and up gradation of skills.

The responsibility of the university to discharge adequately its responsibilities to the entire education system and to the society as a whole has been assumed by the Department of Lifelong Learning in the manifestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community DLL conducts short term training courses, workshops, seminars, summer schools, capacity building and skill development programmes etc. throughout the year. The department organizes programmes which are need based, flexible, catering to the diverse needs of small and large segments of people.

DLL has been successful in reaching out to large

Director

Singh, Jayant

sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization and awareness programmes regarding universal literacy, gender justice,

HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development etc. Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling and guidance programme for youth. DLL also develops teaching learning, instructional, training and promotional material as part of providing academic/technical support to different programmes. DLL has engaged in conducting English language teaching classes in rural areas, government schools and urban slums for the needy and poor and e-learning for senior citizens and deprived sections of society. Collaboration and support for various activities and programmes are solicited from of university departments, colleges, NGOs, and resource centres of National Literacy Mission Authority.

The aims and the objectives of the Department are to promote a meaningful sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, to facilitate the overall development of people and meaningfully help improve the overall quality of life.

Department of Physical Education

About the Department

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04. M.Phil in Physical Education was introduced in 2007-08. Centre for Converging Technologies

About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

The Centre is pursuing the following activities:

Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.

Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.

Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.

Developing laboratories and facilities to efficiently engineer and design new products.

Promoting global level research in allied theoretical science (logic, data structures and algorithms, computational complexity, database systems, knowledge representations, constraint satisfactions, artificial intelligence, intelligent agents, theoretical computer science and quantum computing), Systems Biology and Metabolomics.

Encouraging post-doctoral students in Converging Technologies to uplift the capacity for research.

Imparting postgraduate education in Converging Technologies.

Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development of the country.

Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and

class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155) a Rs. 13 Crore budgetary support to setup a "Centre of Excellence for Nanotechnologies" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, Government of India and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of

Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (UIC-B). This is a unique platform acting as the nodal center for budding student entrepreneurs and innovators with industry academia collaboration. Further, state DST has awarded incubation Centre in 2017 Where in startup and industry partners can take up innovation things from pilot to Plant Pricess.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students awarded fellowship under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE etc.

Ph.D. Programme:

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj-MPAT.

Thrust Areas:

- a. Nanotechnology
- b. Biotechnology and Bioinformatics
- c. Information and Communication Technology
- d. Cognitive and Neuroscience

Master's Programme

(1) Ten Semester (Five year) Integrated Dual degree Master of Technology (M. Tech.) course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland

International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B. Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance. Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill

the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2018 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course in the academic session 2018-19.

(2) Six Semester (Three year) Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2016-17. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semesters of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

Medium of Instruction and Examination is ENGLISH only.

Seats: 40 + 15% NRI Seats

(4) Diploma and Certificate Courses

Center is also offering Diploma and Certificate courses in the following areas for session 2018-19:

- (i) Diploma Course in Innovative Food Design (12 months duration)

- (ii) Certificate Course in RF Planar Component Test (6 months duration)
- (iii) Certificate Course in Computer Assisted Drug Design (6 months duration)
- (iv) Certificate Course in Product Design Employing Different Types of Coatings (6 months duration)
- (v) Certificate Course in Product Design Optimization for Artificial Limb Via soft computing approach (6 months duration)
- (vi) Certificate Course in Innovation in Material Sciences for Inclusive Development (6 months duration)

Seats available in each diploma and certificate course: 30

Fee:

- (i) For Diploma course (Tuition fee Rs. 5,000/- per semester)
- (ii) For Certificate course (Tuition fee Rs. 5,000/-)

Admissions will be made purely on the basis of merit in B.Sc. /B. Tech. /B.E. Minimum eligibility shall be 55% score or equivalent grade in the B.Sc. /B. Tech. /B.E. or equivalent. Final examinations in 2018 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing the bachelor examination.

Admission Procedure for above Master Courses:

Admission to the Master of Technology in the four streams of Converging Technologies will be made through an Online Application Form to be filled and submitted by students as per details given on website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>. The candidate will be called for counseling on the basis of their merit position in the respective category. The candidates will be required to appear in counseling to be held at Centre at their own expenses. At the time of counseling the candidate must bring all documents in original and Photostat copies and four passport size photograph along with a bank draft of Tuition fees (will be intimated separately) in favour of Director, Centre for Converging Technologies and payable at Jaipur towards first semester tuition fee. The candidates will be required to fill the University Application Form and submit the same along with the other fees payable as per University Prospectus. Fees once deposited will not be refunded after start of the semester classes.

Admission Procedure for above Diploma and Certificate courses:

The admission notification for above Diploma and Certificate courses for the session 2018-19 will be given separately in news papers and on university website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>.

Note: - For any information, the students may visit the Centre for Converging Technologies. The queries may be addressed to cct.uniraj@gmail.com. Telephone number of office is 0141-2700370.

University Innovation Cluster In Biotechnology (UIC-B)

University Innovation Cluster in Biotechnology (UIC-B) is a milestone program of BIRAC initiative jointly with the Biotech Industries. Here at University of Rajasthan focus area of UIC is Converging Technologies. The key objectives of the program are:

To play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.

To develop area specific technologies for the industries through R&D projects of student entrepreneur.

To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.

To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual co-operation between academia and industry. The focus of the proposal is converging technologies. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for

university spin-off and start-ups. Tentatively five major thrust areas have been identified for UIC in collaboration with our industrial partners viz. development of commercially viable phytochemicals, stem cells as cellular therapeutics, isolation and characterization of microbial enzymes for plant secondary metabolite extraction and development of value added food products, industry oriented amalgamation of domain with biological data and establishment of nanomaterial synthesis facility for water purification solutions.

The output/outcome of the project would be utilized for an industrial application project and also the potential to develop into a technology or prototype with through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments, royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

Fellowships and Projects

Innovation Fellowships:

There are two Post Doctoral and four Post Master's BIRAC Innovation fellowships.

Sponsored Research Projects:

In order to undertake sponsored research projects, the potential industrial partners with specific scientific concerns have been identified. A plan of action for solving the problem in collaboration with industry is being formulated. The plan will be executed with the co-operation of all stakeholders. Financial aid in the form of fellowships to execute sponsored research projects will be provided.

R & D for testing the ideas/discovery for taking it to proof of concept:

This will be done jointly with Industry/ academia and other organizations.

Activities

1. **Development of commercially viable phytochemicals Objectives:** Development of herbal-based bioactive drugs & phytochemicals and their cytotoxicity effects using cell lines.
2. **Stem cell as cellular therapeutics Objectives:** Isolation and identification of stem cell derived growth factors and cytokines for regeneration/repair and other cosmetic applications.
- 3a. **Microbial enzymes for plant secondary metabolite extraction and development of value added food products Objectives:** Commercial exploitation of microbial sources for industrially important enzymes.
- 3b. **Microbial enzymes for plant secondary metabolite extraction and development of value added food products Objectives:** Development of value added convenience and ready to eat food products enriched with phytochemicals.
4. **Industry oriented amalgamation of in-silico domain with biological data Objectives:** To develop optimized algorithms and simulations for Genome analysis.
5. **Establishment of nanomaterial synthesis facility for water purification solutions Objectives:** Carbon nano tube synthesis and immobilization into polymeric/ceramic membranes for water purification system.

Design Innovation Centre

Under the scheme National Initiative for setting up of Design Innovation Centre, Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan, Jaipur. The DIC has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh and Lachoo Memorial College of Science and Technology, Jodhpur. The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

Department of Dramatics

About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all round development of the students. This is one of the renowned institutions of learning theatre arts in the entire country and provides an opportunity of five years training programme followed by Ph. D

Infrastructural Facilities

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities.

Organised one-man shows and group shows of painting by faculty members in various prestigious art galleries of the country and abroad. Faculty members have received International, National & State Awards and recognitions. Many students have been appointed as lectures in

various prestigious institutes of India. Students have received many awards from Lalit Kala Academy and other prestigious bodies. Faculty members have participated in various National Conferences/Seminars/Artist camps etc. Faculty members are the members of renowned Academic Bodies & Research Committees of various universities.

Department of Music

About the Department

The Department of Music was established in 1973 with Vocal and Instrumental Music (Sitar) as the main subject. Many International and National acclaimed performing artists have been a part of this department.

A Four-Year performance oriented Professional Degree Course (B.P.A.) was introduced in 1987. Subsequently, a Two-years Post Graduate course (M.P.A.) was added in 1991. A Great achievement of the department is that two New Courses B.P.A. Kathak Dance and Tabla were introduced in 2016. These courses were designed with focus on practice/ Performance & Theory as well as to produce performing artists and scholars. The Department aims to produce professionally skilled Artists and Musicologists; develop creative and innovative abilities in the students; expose the students to emerging perspectives of Indian Music; inculcate research oriented attitude in the students; organize seminars, workshops, refresher courses, orientation courses, music concerts and summer classes for new comer students for giving basic knowledge of the subject.

Department of Visual Arts

About the Department

Department of Visual Arts started teaching the professional degree course BVA in three disciplines such as Painting Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and some of our scholars have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Exhibitions, Art, Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved and we are confident that our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts .

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our courses of Masters in Visual Arts have been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

Department Facilities

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshop for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. The interaction with artists highly motivate our students..

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students thus provide them a workplace of the 21st Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have wider knowledge base.

Department of Law

About the Department

The Department of Law is one of the oldest Departments of the State of Rajasthan. Legal Studies started in the year 1947 which corresponded with the foundation of the University of Rajasthan. Since then it has been one of the premier institutions of legal studies. The Law College was first housed in the University Maharaja College, Jaipur. Later on, July 1, 1953, it was shifted by the State Government to the University of Rajasthan.

Teaching of LL.M. classes started in 1953 and Diploma in Labour Law started in 1962. After a lapse of six years, P.G. Courses in Criminology and Taxation were started from the session 1967-68. Thus, the Department of Law with three P.G. Diplomas started running independently from 1993.

P.G. Diploma in Environmental Law has been introduced from the session 2005-2006. It is being run on a Self-Finance scheme. LL.M. in Human Rights and Value Education have also been introduced in the Department from the session 2007-08 on SFS basis.

About the Department

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, AV Humboldt, DANDIA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

Department of Chemistry

About the Department

The Department of Chemistry came into existence in July 1960, thirteen years after the establishment of the University of Rajasthan, Jaipur. Ever since its inception, the Department has made all-round progress and acquired a preeminent status. With Dr. C. P. Singh Chandel as present Head of the Department, current faculty strength includes Seventeen Associate Professors, thirty two Assistant Professors and one UGC-FRP Assistant Professor.

Department offers M. Sc. in Chemistry and Ph. D. courses at University campus and B.Sc. pass and honours courses at two constituent Colleges. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements.

The Department is well known for its par excellence in academic and research programmes in various areas of Chemistry both nationally and internationally. The Department has been recipient of various developmental grants from National agencies. The Department was selected by the UGC for University Leadership Project (ULP). After successful implementation of DSA-Special Assistance Programme sponsored by UGC for more than thirty three years and first phase of Centre of Advanced Study (CAS). The second phase of Centre of

Advanced Study is in progress. The Department has been recipient of major equipment grants under FIST program of the Department of Science and Technology, Government of India and BSR grant of the UGC. PG laboratories have been recently renovated with modern facilities and safety equipments.

The Department has well equipped research laboratories and sophisticated instruments, viz., FTIR Spectrometer (Shimadzu), UV-Visible Spectrometer (Shimadzu), Electrochemical Analyser (CH Instruments (USA), Semi preparative HPLC (Shimadzu), Table-top mass Spectrometer, Digital Spectrophotometer (Elico), Basic Electrochemical System (Conserve), Polarograph (Elico), COD Digestion Apparatus (JSGW), Polarimeter (Anchrom), Incubator, Autoclave, etc. for Bioactivity studies, Lyophilizer, etc.

Ph. D Programme

Thrust Areas

Biologically Important Heterocycles
 Natural Products and Pharmaceutical Chemistry
 Drug Design and Drug Delivery
 New Synthetic Approaches, Reagents and Catalysis
 Organometallic and metalloorganic Chemistry
 Coordination and Bio-inorganic Chemistry
 Reaction Dynamics and Electrochemistry
 Corrosion Science and Electrodeics
 Green Chemistry and Environmental Sciences
 Biochemistry and Chemical Biology
 Biomedicine, Medicine and Biomaterials
 Material Science and Nanotechnology
 Polymer Chemistry and Macromolecules
 Theoretical and Computation Chemistry
 Renewable Energy and Energy Storage

Research programmes in the Department are supported by various funding agencies of the Government of India-DST, CSIR, UGC, DAE, ICMR, etc.

The Department organizes International and National Conferences/Workshops regularly, Moreover, invited lectures of Eminent Scientists and Academicians from National and International reputed Institutes and Universities are also regularly arranged for the exposure of the research students to the current advancements in the contemporary research. The Department is also actively engaged in organizing the recharging programmes, such as, UGC-ASC Refresher courses, besides, seminars, workshops, conferences and Extension Lectures by Eminent Scientists/Academicians etc.

The Department has a Local Chapter of the Chemical Research Society of India (CRSI), Bangalore and a Subcentre of ACS-Green Chemistry Network. Various academic and student-recharging activities are being organized under these banners and special lectures, invited talks and Interactive session with Eminent Scientists are also organized regularly.

The Department Library is richly housed with over 4000 text books, 5000 reference book and a large number Ph.D. Programme Thrust Areas of old volumes of several Journals. Hard copy of Chemical Abstract, Vol. 1 to 141 (1907-2004) are also available. Now the chemical abstracts are available online-through Sci-Finder. E-Journals are available online through University Network.

Department of Geography

About the Department

Initially, the teaching of Geography began in 1962 at the undergraduate level in the Arts Faculty in University Rajasthan College. Thereafter the undergraduate teaching in Science faculty in University Maharaja's College and in Science/Arts faculties in University Maharani's College commenced from 1974 and 1987, respectively. The Post Graduate Department was established in 1967. The faculty is also actively engaged in research programmes. The Post Graduate Department is located in the University Campus since 2002.

Infrastructural Facilities

The Department of Geography has a well equipped Remote Sensing and Geographic Information System Laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST-Programme of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since 2012.

Department of Geology

About the Department

The department was established in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. Programmes with an objective of:

- ★ Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

Faculty

Head & Associate Professor

Mahla, N.S.

Professor

Maheshwari, Anil

- ★ Training students to take up responsibility as professional geologist in various exploration and mining organizations and to pursue a career as research scientist.
- ★ Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation.
- ★ Providing basic infra structural facilities to carry out research in specified fields.

To achieve the above goals, the Department offers a very congenial atmosphere and regular student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department has regularly organized training programmes and special lectures to benefit both the students and the faculty.

Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

Geochemical Lab: Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

Petrological Lab: Petrological Microscopes, Automatic thin section preparation unit

Palaeontology Lab : Binocular microscopes, High resolution Zoom Stereomicroscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

Computer and GIS Lab : Ten computers, GIS and image processing software, Satellite data and topo sheets..

Other Facilities: LCD projector, Field Camera, Survey equipment, Light Table, Mirror Stereoscope, Departmental Library, etc.

Ph.D. Programme

Individual faculty members have been associated in international collaborative research programmes. Collaborations with the University of Erlangen (Germany), University of Florida (US) and University of Pavia (Italy) &

have offered a platform for the university to work in overseas laboratories and to get a chance to interact with the students from these institutions.

Thrust Areas

- ★ Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- ★ Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- ★ Environmental Geology
- ★ Hydrogeology

Master's Programme

MASTER OF SCIENCE (GEOLOGY)

Seats : 10

Duration: Four Semesters (Two Years)

Other Highlights: "The department of Geology is unique among the PG departments of the University because the student who gets first rank in first year of M.Sc. receives a scholarship of Rs. 5000/- per month for one year. This scholarship the ONGC Scholarship is provided by the Oil and Natural Gas Corporation Ltd, under the industry- Academia interfaces. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. A software " Virtual Petrological Microscopes" developed by the students of our department is being used by number of Geology departments all over the country as a useful teaching aid.

Department of Home Science

About the Department

The Department of Home Science started with Home Science as a subject in B.A in Maharani's College in around 1962. In 1980, B.Sc. Home Science was introduced in Maharani's College. In the year 1985, Masters programme in Foods and Human Nutrition was started, followed by Masters in Human Development and Family in 1988 and in Development Communication and Extension in 1994.

The Department is also offering Ph.D. programmes in all the five disciplines, namely, Foods and Human Nutrition, Human Development and Family, Development Communication and Extension, Clothing and Textiles and Family Resource Management.

Department of Mathematics

About the Department

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. M.Sc., M. Phil. and Pre-Ph. D. course work classes are held in the main campus and the under-graduate teaching takes place in the three constituent Colleges of the University. A good number of students of Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement. The Department organizes Prof. P.D. Verma Memorial Lecture every year since 1997. The eminent scholars of Mathematics are invited to deliver memorial lecture. Also organization of National and International Seminar/ Conferences, Workshops and Lectures by eminent scholars of various fields is a regular features of this Department.

Infrastructural Facilities

The Department have four classrooms with one of them have ICT facility. The Department has its own Library consisting 9600 books and well equipped Computer Laboratory with internet facility available for the benefit of teachers, research scholars and students. Facilities of Smart Class room are also available in the Lab.

The Department has received UGC DRS-II under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Departmental Library.

The Department has active programmes of research in a number of different areas in Mathematics. Emphasis is laid equally on Pure and Applied Mathematics. The following are thrust areas of research

Ph. D. Programme

Thrust Areas of Research

- (i) Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)

Department of Physics

About the Department

Department of Physics was established in the year 1960. The department has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20) with Condensed Matter Physics and High energy Physics as thrust areas. The Department offers M.Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields. The department received support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition research groups of department

Infrastructural Facilities

M.Sc. and research laboratories of this Department are well equipped. Some of the major equipments and facilities available in the Department include:

X-ray diffractometer for study of powder and thin film materials and also SAXS facility.

Scanning Probe Microscope (STM & AFM)

Low energy electron accelerator,

Vibrating sample magnetometer (20 K-1000 K),

Mossbauer spectrometers with temperature variation (80K- 1000 K) and high pressures up to 10 GPa, resistivity measurement,

High field Magnet Facility (8T)

X-ray photo electron spectroscopy set-up.

2.5 m long neutron time of flight facility,

MASTER OF SCIENCE (PHYSICS)

Seats: 35

Duration: Four Semesters (Two Years)

Four semesters M.Sc. Physics course is governed by ordinance 199F. Elective Core Courses are offered in following clusters:

- Condensed Matter Physics
- High Energy Physics
- Electronics and Communication
- Energy Studies
- Reactor Physics
- Plasma Physics

M.Sc. pass outs are selected every year in prestigious scientific institutions like IPR, IUAC, BARC, NPL, TIER for pursuing research. Several students qualify in examinations like NET and GATE every year.

Other Highlights

Department is regularly organizing invited talks for the benefit of students and faculty. Several of its faculty members are having memberships of different prestigious organizations. Faculty members are also attending international and national conferences and delivering invited talks in these conferences. Two faculty members of this department received their Ph.D. degree this year.

Department of Psychology

About the Department

The Department of Psychology was established in the year 1971; the Faculty of the Department is specialized in the areas of Clinical, Vocational, Organizational, Counseling, Social, Health, Positive, Environmental & Indian Psychology.

The Faculty members and researchers of the Department have also made significant research contribution in these fields and are also involved in development of Psychological Measurement Devices. The Department is well known for its excellence in academic & research programs in various areas of Psychology. A significant number of alumni of this department are working on high positions in National and International Institutes as well as in Government Administrative services. The Department has been a recipient of various Grants from National Agencies including UGC, ICSSR etc.

The Department attracts students from Rajasthan and outside, including International students. Previously, a cooperation agreement has been signed between University of Rajasthan and Montpellier University, France under which students from Montpellier University can apply for further studies in the Department.

The Department organized an International Conference in Feb. 2017 and 1st National Congress on Industrial and Organizational Psychology in Jan. 2018. The students of the department after passing their P.G. exam. are selected every year in prestigious scientific organizations and served as counselors in various institutions. Several students qualify in examination like NET, JRF SLET every year.

The Department has Smart Class Room/ Seminar Hall, a well-equipped Laboratory & Counseling Centre, Some of the major equipments and facility with P.G.R., ECG, Bio-Feedback and Research support-tools such as Psychological Tests, Audiometer, Projector with Laser Printer. Braun Paxilux, OHP and Computers with Wi-Fi connection.

Department of Statistics

About the Department

The University Department of Statistics was established in 1962. Department has been shifted in the new premises i.e. Vigyan Bhawan (IInd floor). The Department is engaged in teaching U.G., P.G, M. Phil. classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and statistical software like SPSS and STATA.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

Infrastructural Facilities

1. More than 1000 books of National & International publications in the Deptt. Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one big Computer Lab, Office rooms, Library-cum-Common room for students, Staff rooms.
3. 42 PC's with pre installed OS.
4. Following Software are available :
(i) MS Window-7 (ii) Turbo-C/ C++ (IDE version) (iii) IBM SPSS 19 (iv) STATA /SE 14 (10 users)

Other Highlights & Achievements

1. The subject has application in many fields such as Actuarial, Agriculture, Business, Management, Pharmaceutical & Medical sectors etc.
2. Governments jobs like Indian Statistical Services (ISS), Research officer in RBI & other UPSC, SSC, GIC, RPSC & Bank jobs.
3. National / International Research projects as Statistician/Statistical consultant after getting knowledge of Statistical Software.
4. Faculty members in different institutions.
5. About 43 students selected in UPSC ISS exams during 2009-2017.
6. 20 students selected in RPSC- Statistical Officer exams in the year 2015.
7. Some students selected as :
 - (i) Research officer (RBI, 2012)
 - (ii) Statistical Officer (PNB, 2013)
 - (iii) Statistical Officer (SBI, 2014)
 - (iv) Asstt. Manager (GIC, 2015)
 - (v) Associate Statisticians in R&D of Pharmaceutical Industries in 2011, 2015, 2016.

Future Plan:

1. Procurement of Statistical Software MINITAB 17 (10 users).
2. Establishment of "Smart class room".
3. Effort will be made for "Statistical Consultancy Cell" & Campus placement.

4. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.

Department of Zoology**About the Department**

The Department was established in the year 1960 at Jaswant College, Jodhpur. In 1963 it was shifted to Jaipur in Vigyan Bhawan of the University of Rajasthan and finally to its newly constructed building in October, 1966.

Earlier, the Department received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA) United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST-FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. Recently, Department has completed UGC support under CAS (Phase II) and DST support under FIST program (Phase II). Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Environmental Biology and Toxicology, Entomology, Microbiology and Developmental Biology. The faculty has been awarded prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department celebrated its Golden Jubilee in the year 2010. The alumni hold various important positions in teaching research and administrative services in India and abroad. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by eminent scholars in different areas.

Infrastructural Facilities

The Department has a wide range of sophisticated instruments to facilitate quality research. A Central Instruments Facility is available for the use by all research scholars. It includes Atomic Absorption Spectrophotometer, RT-PCR, RIA (Gamma & Beta Liquid Scintillation Counter), Gas Liquid Chromatography, HPLC, Computer Assisted Semen Analyzer, Flow-Cytometer, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Microcentrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge. CO₂ Incubator, Blood Analyzer and Chemiluminescent Analyzer. In addition, it has Tissue Culture Laboratory, Central Computer Facility with internet connectivity,

Centre for Computer Science & Information Technology

About the Centre

The centre was started in year 1986 offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three year MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two year M.Sc. (IT) course. The Centre is renamed University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre is running 3 year (6 semester) MCA and 2 year (Four Semester) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government sectors, Research, Teaching, Civil Services, Defense, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

Infrastructural Facilities

The Students have access to excellent infrastructural facilities. These facilities are augmented by the addition of hardware/software, library and space

facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

Computer Labs

The computer labs are well equipped with multiple number of computers, servers, printers & other peripheral devices which are well connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having Pentium i7, Pentium Core 2 Duo, Pentium computers & 2 Servers has been established in the Centre to fulfill requirement of the courses to support latest technology and environment.

Library

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerised and transactions of books through computer. In addition, the students have access to on-line resources, News papers, Magazines & Journals.

Ph.D. Programme

Scholarship for Ph.D. Programme in Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08 for outstanding students. Collaborative website has been launched between Cornell University in New York and University of Rajasthan in March 2009.

Masters' Programme

The Centre is running a three Years (6-Semesters) MCA and two years(4-Semesters) M.Sc.(IT). These Post Graduate Professional degree

programmes as per recommendations of the Department of Electronics, Government of India and aims to provide the students with, necessary computer science and software development expertise so that they can be absorbed as System Analysts/ Information System Specialists/IT Experts etc. Admissions in the courses MCA & M.Sc.(IT) is made through URATPG conducted by the University of Rajasthan every year.

Centre for Development of Physics Education

About the Centre

The Centre for Development of Physics Education was established in year 1978 by University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the CDPE are:

- (i) Development of new Physics experiments and literature for under-graduate and post-graduate students as well as research scholars for Univ. of Rajasthan and other institutes. The Institutes such as IIT Bombay; IIT Jammu, BARC Bombay; BITS Pilani, and other prestigious institutes have been using experiments developed at CDPE and representatives from various institutes also get training in CDPE.
- (ii) Design, fabrication and supply of equipments to academic/research institutions on no-profit and no loss basis.
- (iii) Providing prompt technical support to the experiments running in different laboratories of Physics Department of University of Rajasthan and also providing technical assistance to other institutions under contact programme. Many of the equipments fabricated in CDPE are a part of syllabus in under-graduate and post-graduate laboratories in this University as well as in others.
- (iv) Development of teaching aids in the form of Computer and Audio Visual Programmes.
- (v) The Centre has also been regularly supporting the research groups in Department of Physics for fabrication of equipments and extending IT expertise for examination reforms and academic development.

Director

Singhal, Rishi Kumar

The CDPE has developed more than 100 experiments in different areas of physics. These equipments can serve both for demonstration purpose as well as measurements of physical quantities. These have been supplied to many Universities and Institutions in India and abroad.

The equipments developed in CDPE are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

Infrastructural Facilities

The CDPE is equipped with

- (i) Mechanical Workshop which is equipped with a Lathe Machine and a Milling Machine
- (ii) Electronic Workshop which is equipped with measuring, testing and assembling equipment for electronic circuits.
- (iii) Computer Lab equipped with five computers with online support

There is a Museum that houses equipment developed by CDPE, is a major attraction for visitors and students of Physics.

Centre for Non-Conventional Energy Resources

About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV (10^{-9} Torr) E-gun evaporation technique
2. HV (10^{-9} Torr) E-gun evaporation technique
3. HV (10^{-9} Torr) Thermal evaporation technique

Indira Gandhi Centre for Human Ecology, Environmental & Population Studies

About the Department

The Indira Gandhi Centre for Human Ecology, Environmental and Population Studies was established in the year 1984. The Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan on December 31, 1997. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Studies were introduced since 1984-85.

Infrastructural Facilities

A well-equipped research laboratory with latest equipments (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer, B.O.D. Incubator,

Centre for Water Management & Research

About the Centre

The Centre for Water Management and Research was established during the academic session 2010-2011 with the aim to make aware the society about the significance of water management and research in a water-scarce state like Rajasthan. Keeping in view the water scarcity problem of portable water in particular in some parts of Rajasthan, the importance of the Centre has grown. The Centre offers PG. Diploma in "Water Conservation & Management". The main objective is to train students in water resource management, who can eventually work in various government/non-governmental organizations to ensure water security through efficient management. In addition, Centre also provides platform for academic interactions in this field through seminars/ workshops, and also undertakes collaborative research programmes in the water resource management.

Department of Anthropology

About the Department

Anthropology (anthropos= man ; logos= study) in its broadest sense is the science of man and culture. The discipline has elements of art and science, humanistic interpretation and systematic recording. Anthropology is firmly rooted in the descriptive richness that comes out from the field work by participating in the lives of the people. Anthropology has an important role in increasing our understanding of society for social and economic development. Fieldwork allows for local opinions to reach the planning agencies.

The Department of Anthropology at the University of Rajasthan is the only department in the State with the aim of undertaking teaching and research of man in a holistic perspective. The subject has four major sub-fields: Physical or Biological Anthropology, Social and Cultural Anthropology, Prehistoric Archaeology and Linguistic Anthropology.

Anthropology is a developing subject which provides valuable information for development workers, Aid organization and policy makers. Besides

Department of History & Indian Culture

About the Department

The Department of History & Indian Culture is one of the oldest Department in the University of Rajasthan founded in 1950 as the Department of History under the headship of Prof. M.L. Sharma. Renowned historian Prof. G.C.Pande joined the Department in 1962 as Tagore Professor of History and Indian Culture. Under his learned and charismatic leadership, the Department gradually acquired a distinctive character with great emphasis on the Study of Ideas and Movements in History. The Department acquired its present form as the *Department of History and Indian Culture* in 1962.

The Department has had the honour of having eminent scholars like Prof. Mathura Lal Sharma, Prof. G.C. Pande, Prof. Satish Chandra, Prof. G.N. Sharma, Prof. Devendra Kaushik, Prof. M.S. Jain, Prof. R. Nath, Prof. V.S. Bhatnagar and others as teaching faculty. The faculty members of the Department have made significant contribution to historical research in their respective specialisations.

The Department offers graduate, post-graduate, M.Phil and Ph.D courses. Over the years new papers in the syllabi of the students have been added to enrich and contemporise the syllabi. Besides, the Department also runs a course of P.G. Diploma in Indian Culture.

Infrastructural Facilities

The Department is equipped with the Departmental Library known as Raghuvanshi Memorial Library having nearly 4000 books. In addition, the Department also possesses Professor M.S. Jain. Collection of nearly 1000 books. There is a Museum in the Department with various antiquities and artefacts along with required paraphernalia for archaeological studies.

Other Highlights

The Department had recently organised a mega National Conference on the theme “Indian History Writing: Present Scenario and Prospects” (January 19-20, 2018) under the dynamic leadership of Prof. Krishna Gopal Sharma. This conference was attended by nearly 650 delegates and resource persons from all over India.

The Department has also published under its auspices the following three books during the last academic session: (i) *Origin and Rise of the Imperial Pratiharas of Rajasthan* (by Dr. Shanta Rani Sharma); (ii) *Rajasthan ki Shailashraya Chitrakala* (by Dr. Murari Lal Sharma) & (iii) *Cultural Tourism and Bishnois of Rajasthan* (by Dr. Neekee Chaturvedi).

The Department has been publishing an annual research journal 'Jijnasa' since 1974.

Centre for Museology and Conservation

About the Centre

Centre for Museology & Conservation, University of Rajasthan, Jaipur (CMC-UOR) was established in July, 2006 with a view to promote studies on museology and generate awareness about the conservation of museum objects. Museology as a discipline explores the history of museums and their role in society, as well as the activities they engage in, including curating, preservation, public programming, and education.

New perspectives of museology are emerging as a way to revitalise the educational role of museums. The inherent trend of New Museology is that it involves some form of radical reassessment of the roles of museums within society. A discourse of critical museology also emerged, intensifying around the turn of the 21st century. Critical museology extend its fold beyond the traditional museum to include cultural centres, heritage sites, memorials, art galleries, etc. In the context of India and other colonial countries, critical museology also attempts to address the problematic colonial pasts of museums through the decolonization and indigenization of museums.

The latest movements in museology tend to focus on museums being interdisciplinary, multi-vocal, accessible, and open to criticism. While these critical discourses dominate contemporary museology, there are many different kinds of museums that exist today, some of which are engaged in new and innovative practices, and others that are more traditional and less critical.

Centre for Mass Communication

About the Centre

The Centre for Mass Communication, University of Rajasthan, Jaipur came into being in 1991. The Centre has made appreciable headway in the last two decades. So far, nearly 1100 students have studied at the Centre and a large number of them are working in different spheres of the media. In 1991-92 under the self-financing scheme the Centre started a one year P.G. Diploma Course in Journalism. This was later converted into a one year Bachelor Degree Course in Journalism and Mass Communication (BJMC) in 1992-93. From the academic session 2001-02, it has been replaced by a two-year Master's degree programme.

It is heartening to note that the Centre has carved out a niche for itself in the field of Media Education amongst the Universities of India. Eminent journalists and media persons have contributed their mite towards its growth in various ways. Conferences, seminars, workshops and discussions have been organized under the aegis of the Centre from time to time. These have enabled the students to present their views in a free and frank atmosphere.

Centre for Rajasthan Studies

About the Centre

The Centre for Rajasthan Studies is one of the oldest research centres of the University and has been instrumental in promoting studies and research in Rajasthan's history and culture. Established on 11th November, 1975, the Centre is housed in Maharana Pratap Bhawan of the University to promote and coordinate research on historical, social, cultural, literary, economic and environmental aspects of Rajasthan together with collection, compilation, cataloguing, and publication of relevant source material. Prof. G. N. Sharma, the renowned historian of Rajasthan, was the founder Director of the Centre.

Since its establishment the Centre has made a seminal contribution towards creation of knowledge on numerous aspects of history of the region through research projects related to collecting, cataloguing and publishing source material and organizing seminars on various themes related to the history, culture, society, economy and environment of the region. The Centre has so far organized 15 national seminars on various themes of Rajasthan. The Centre also hosted the CLAI International Conference on 'Culture, Arts and Socio-Political Movements in South Asia: Comparative Perspectives.' The Centre also organised a three day Rajasthani Kavita Utsav in collaboration with Sahitya Academy, Delhi. Recently, the Centre has organized a mega National Conference on January 29-30, 2016 in association with the University Department of History & Indian Culture. This Conference, focusing on the theme 'Emerging Perceptions of Historical Writings in India' held two special sessions on the historical writings of Rajasthan. This Conference was attended by more than 500 delegates from all over India.

The Centre for Rajasthan Studies has brought out 24 publications as follows : *The Sources of Social and Economic History of Rajasthan* ; *Bibliography of Rajasthan Studies; Kachawahani Vanshavali* ; *Social and Political Awakening among the Tribals of Rajasthan* ; *Jaswant Singh ri Khyat* ; *New Catalogue of Approved Theses on Rajasthan*, Vol. I, Pt. Lecture and Prof. M.S. Jain Memorial Lecture - to commemorate the life and works of historians who have made seminal contribution to historical writings of Rajasthan.

The Centre organised two national conferences in the session 2017-2018. A conference on 'Women in the Public Sphere in Rajasthan' was organised on January 6 & 7, 2018 in collaboration with Itihas Sankalan Samiti, Jaipur and was sponsored by Indian Council of Historical Research, New Delhi. On February 16 & 17, 2018 a conference on 'Conversations on Conservation' was organised.

The Centre has built up a good research library consisting of nearly 5400 books and a valuable collection of *Thikana* records. This library is widely utilised by Indian and foreign students and scholars of History, Culture, Archaeology, Anthropology, Sociology, Literature and other disciplines. As a result of persuasive efforts, the Centre was able to obtain as gift, a treasure of 1417 rare books on history and culture of Rajasthan from late Professor G.N. Sharma's collection. The Centre also possesses nearly 500 books in a separate collection known as Prof. K. G. Sharma Collection.

The Centre had begun a new Course for M.A. in Rajasthani Language, Literature and Culture, w.e.f. the academic session 2011-12 under Self Financing Scheme. This Course has become very popular and is running successfully. This is a unique composite course in Rajasthani Language, Literature and Culture which has been introduced exclusively in the University of Rajasthan.

The Centre has granted affiliation to many Post Doctoral Fellows and Senior Research Fellows of ICHR and ICSSSR and also to Emeritus Fellows of UGC. The Centre also had the privilege of extending affiliation to foreign scholars (US Fulbright Fellows, Researcher from University of Heidelberg, Germany and other institutions).

INTRODUCTION

Recognised by the Bar Council of India, the University Law College is a constituent college of the University of Rajasthan and one of the oldest law-schools in India imparting legal education. The Law College, as it was originally called, was established in Jaipur by the Government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time Principal, one Reader, three Part-time teachers. In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate *Vidhi Bhawan* was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, on Friday, 22nd December 1972. Teaching began in this building from the session 1975-76. During the session 1993-94, the College was declared by the UGC as a Constituent College of the University of Rajasthan, Jaipur.

परिचय

राजस्थान विश्वविद्यालय प्रांगण के दक्षिण में जवाहर लाल नेहरू मार्ग पर स्थित विश्वविद्यालय राजस्थान महाविद्यालय का गौरवमय इतिहास रहा है। राज्य सरकार ने वर्ष 1957 में इसकी स्थापना राजकीय महाविद्यालय के रूप में इस उद्देश्य से की थी कि राज्य व केन्द्र सरकार में उच्च प्रशासनिक पदों पर चयन के लिये मेधावी छात्रों को उच्च स्तरीय अध्यापन व मार्ग दर्शन उपलब्ध कराया जा सके। वर्ष 1962 में इस महाविद्यालय को राजस्थान विश्वविद्यालय का संघटक महाविद्यालय बनाया गया। 1969-76 के मध्य यह महाविद्यालय 'कॉलेज ऑफ आर्ट्स' के नाम से जाना जाता है। वर्ष 1976 से यह विश्वविद्यालय राजस्थान कॉलेज के नाम संचालित है। वर्ष 2010 से विश्वविद्यालय अनुदान आयोग ने इस महाविद्यालय को 'कॉलेज विद् पोटेन्शियल फॉर एक्सीलेंस' की मान्यता प्रदान की है।

महाविद्यालय में स्नातक कला, पास कोर्स व ऑनर्स पाठ्यक्रमों में अध्यापन की व्यवस्था उपलब्ध है। महाविद्यालय में राष्ट्रीय सेवा योजना की 8 ईकाईयां तथा एन.सी.सी. की 5 ईकाईयां कार्यरत हैं। महाविद्यालय के सेवाभावी छात्र प्रतिवर्ष नियमित रूप से रक्तदान करते हैं। विद्यार्थियों के सर्वांगीण विकास को सुनिश्चित करने के लिए महाविद्यालय में समय-समय पर सांस्कृतिक गतिविधियों, वाद-विवाद, विजय एवं खेल प्रतियोगिताओं का आयोजन किया जाता है। विद्यार्थियों के बौद्धिक परिष्कार हेतु राष्ट्रीय एवं क्षेत्रीय स्तर की संगोष्ठियां, कार्यशालाएं एवं व्याख्यानमालाओं का आयोजन किया जाता है।

UNIVERSITY CENTRAL LIBRARY

The Central Library building is located near the main gate of the University. It has a sitting capacity of about 700 students. It has a collection of more than 5 lac books, bound periodicals, etc. During the last financial year, 4845 books have been purchased out of the RUSA grant. The Library subscribes to 60 plus current journals and popular magazines relating to various subjects. In addition, about 10500+ e-journals are available for online access under e-Shodh Sindhu Consortium.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore rupees from UGC under UPE grant. This building will be soon made operational.

In addition to book lending, the Library provides the following services:

- Reference service
- Reprographic service
- E-journals on-line accessibility
- Internet and e-mail facility
- CD ROM Database Search services offline
- Research Reference Guidance service
- Braille Section for visually impaired persons

The books of library are classified in different categories, such as general books, text books, reference books, theses, reports. The periodicals are segregated into two groups : pre-1975 and the rest.

THE ABU COLLECTION:

The library has a rich collection of old documents, including the collection of erstwhile British Resident at Mount Abu, which is popularly known as 'The Abu Collection'. This includes Government reports, gazetteers, and other publications dating back to early 19th Century. This is a very useful collection for historians, economists and sociologists.

UNIVERSITY HOSTELS

The University and its Constituent Colleges have well-furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or college campuses.

The University is at present running 19 Hostels, out of which 14 are in the Main Campus and rest are situated in the Constituent Colleges.

Every Hostel has its own unique tradition. Youth festival is organised in each hostel every year. This festival leaves a memorable imprint on hostel inmates. An inter hostel Youth Festival, 'Basant' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

Note : Only those students who are admitted in the

University department/institute / college will be eligible for admission to the University Hostel. If any student fails at the main examination or does not appear in the examination / Compartment / Back / Due, even in compulsory subject then he/she will not be eligible for admission/ readmission in the hostel. Forms for admission the Univ. hostels will be filled online and hard copy of these forms are to be deposited in the chief wardens office. It must be noted that students who are pursuing SFS courses can be considered for Hostel admission if the seats are vacant in the respective Hostel. Hard copy of filled Hostel form will be submitted to respective Head / Principal/ Director of Department/ College / Institute and Centre.

RAJASTHAN UNIVERSITY NETWORK (RUN)

RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable

NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in

Director
 Dr. K.V.R. Rao
Dy. Director
 Dr. Pankaj Nagar

areas such as Health, Education, Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations.

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1 Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, IMT, VECC, Institute of MatScience and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN from time to time.

The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a mot and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable.

OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications

Please go through the disclaimer before viewing contents on University websites. The HoDs',

Director', DR of concerned units are responsible for information on University website which is technically managed by Infonet Center.

INFONET CENTRE

UGC-INFONET consortia on 7 X 24 hour basis at the desk top of the academician. The electronic journals are made available beyond the barriers of times, distance and cost through UGC INFLIBNET. The UGC-INFONET was overlaid on ERNET infrastructure and later connected to National Knowledge Network (NKN) to provide assured quality of service and optimal utilization of bandwidth resources.

The technical responsibilities assigned to the Centre are (I) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to e-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of <http://www.uniraj.ac.in> University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website. It is proposed to launch Hindi version of the website in this academic session.

EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page

University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySQL database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section.

UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability.

University Science Instrumentation Centre

University Science Instrumentation Centre (USIC) caters to instrumentation related needs of the Science Departments. For maintenance of equipment, it has electronics, glass blowing, refrigeration section and Mechanical workshops. It also provides centralized facilities on scientific equipments of sophisticated nature. The available facilities of this center are being used by faculty members and research scholars of nearly 20 institutions of this state.

Center has the following Major Sophisticated equipments:-

- Transmission Electron Microscope (TEM) FEI
- Scanning Electron Microscope (SEM)
- Pyrolysis GC-MS
- LC-MS

UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

BLADE SERVER AND SAN SOLUTION

Recently University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more computer intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;
5. Increasing digitization of data; and
6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutions of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-à-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge

Director

Dr. Deepak Saxena

them through psychological and confidence-building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.

UGC-Human Resource Development Centre

The UGCHuman Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India

The Human Resource Development Centre conducts Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer/Winter Schools (on a specific/thrust area, open for all teachers); and Special Programmes (like Academic Administrators' Workshops; Principals' Meet; Interaction Programmes for Ph.D. Scholars; Non-Teaching Staff Training Programmes etc.).

Since its inception (upto 31st March, 2018) the HRDC, University of Rajasthan has organized 105 Orientation Programmes, 344 Refresher Courses, 24 Short Term Courses, 2 Summer Schools, 1 Winter School and a number of Special Programmes including 1 Principal's Meet, 1 Academic Administrator's Workshop, 1 Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph. D Scholars. In all, 16965 (10380 male and 6585 female) teacher participants have benefitted from the various courses organized under the auspices of HRDC, University of Rajasthan.

During the financial year 2017-18, the HRDC successfully organized 9 courses. This session was marked with 3 Orientation Programmes, 4 Refresher Courses and 2 Short Term Courses. In all, 416 teachers participated in the above courses (261 male and 155 female).

The Refresher Courses and Short Term Courses conceptualized by the faculty and subsequently approved by the UGC for the session 2017-18 were unique and innovatively designed e.g. Refresher Course in Laws & Human Rights, Life Sciences, Chemical & Pharmaceutical Science and Refresher Course in Commerce. Short Term Courses were also focused on selective themes of Research Methodology and Gender Sensitization. Some of these courses were

Director

Prof. V. V. Singh

Dy. Director

Dr. Meeta Mathur

Assistant Director

Dr. Vishva Chaudhary

multidisciplinary while other were specific for science/ social science discipline.

For the financial year 2018-19, our HRDC will be organising 20 Programmes as per proposed to the UGC: - 4 Orientation Programmes, 09 Refresher Courses, and 07 Short Term Courses.

Our HRDC is the hub of academic activities of the city. Among the resource persons are eminent educationists, academicians, scientists, jurists, artists, literary personages, social activists, journalists, critics and other persons specialised in their fields.

Besides Rajasthan, our HRDC has drawn candidates from various other states like Harayana, Delhi, Chandigarh, Punjab, Uttar Pradesh, Uttarakhand, Himachal Pradesh, J & K, Madhya Pradesh, Gujarat, Maharashtra, Goa, Daman & Diu, Dadar Nagar & Havelli, Karnataka, Kerala, Tamilnadu, Pudduchery, Andhra Pradesh, Chhatisgarh, Orissa, West Bengal, Bihar, Sikkim, Assam, Andaman & Nicobar, Mizoram, Nagaland etc.

Our HRDC has 2 AC Seminar Halls well-equipped with Digital Podium and WIFI High Definition Projector with motorized screen audio-visual aids, and a state-of-the-art Computer Lab with latest version Computers. The HRDC computer lab, office as well as the library, has internet connectivity with 100 mbps and WIFI, available through INFONET.

The HRDC Library, with computerised catalogue facility, has a rich collection of 5434 books, with a stream of regularly subscribed newspapers, magazines and reputed journals. The HRDC has its own Guest House with well furnished double-bedded 32 Rooms and other basic facilities for the comfortable stay of the participants. The Human Resource Development Centre is located on the first floor of the Vice- Chancellor's Secretariat in the university campus and its Guest House is situated behind B-1 premises in the campus, near Gandhi circle.

The HRDC's main philosophy is to keep in mind that the teacher is central to the system. The concept of an orientation/refresher programme emphasizes teachers as agents of socio-economic change and national development and underlines the need to make them skill-oriented teachers. The programmes of HRDC aim at enabling teachers to discover themselves and their

potential through a positive appreciation of their role in the total social, intellectual and moral universe within which they function. It is now accepted that a teacher must not be confined only to transmitting information; he/she must also orient students to meet the challenges of life, to become not merely a trained professional, but also a better citizen.

From an elitist approach in the beginning, our system of higher education has now become mass based. This places greater responsibilities on teachers. New methods of teaching and educational technology along with developments in Information Technology have made the job of a teacher more demanding. These subjects form an essential component of the programmes run by HRDC. Especially designed orientation programmes/ refresher courses in IT and pedagogy are run by HRDC almost every year. Furthermore, there has been knowledge explosion in every discipline. A college/university teacher has to continuously update his/her chosen field of expertise, or run the risk of becoming totally outdated in a very short period of time. Subject-specific refresher courses are organised by HRDC to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by HRDC must engender in the teachers awareness of the problems that Indian society faces. Matters relating to subject-knowledge and pedagogy would be meaningful when understood in the total context of national development.

The CDC recommends the proposal of the Colleges and Teachers to the UGC as per the guidelines provided on UGC website www.ugc.ac.in.

The CDC plays an important role between UGC and Colleges for improving infrastructure facilities in the Colleges and for the benefit of faculty members and students in multiple ways.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 35 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of

RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.
